Dear Sir:

In response to the Election Requirement dated December 28, 2006, requiring election between Species 1-15, applicants elect, with traverse, Species 9, corresponding to Claims 14, 33-34, and 39. This election is being made without prejudice to having the non-elected claims considered upon allowance of a generic claim or the filing of the non-elected claims in divisional applications. Applicants note that the Examiner has identified claims 1-4, 8, 13, 23-27, and 36-38 as being generic.

Applicants respectfully submit that all of the pending claims are in condition for allowance and seek an allowance thereof. If for any reason the Examiner is unable to allow the application in the next Office Action and believes that a telephone interview would be helpful to resolve any remaining issues, he is respectfully requested to contact the undersigned.

Respectfully submitted,

---
